Date of Field Trip: \_\_\_\_\_

### Springs Preserve '24-25 Chaperone Expectations

Thank you for volunteering to chaperone a field trip to the Springs Preserve. Your support ensures students have a fun, safe and rewarding experience. Please initial next to each policy acknowledging that you are aware of the policy and will follow it.

#### Chaperone Expectations:

- Stay with your students and be sure your students stay with you at all times. If Springs Preserve staff observe students from your school on property without an adult chaperone, the school will not be invited back the following year.
- Engage with the students and the experiences offered at the Springs Preserve. Read the informational panels and discuss learning to make their experience meaningful. Please limit texting and phone calls to emergencies only.
- Contact **Springs Preserve Security 702-258-7101** in the event anyone in your group experiences any type of emergency or sustains an injury while on campus.
- Ensure everyone in your group stays within marked pathways. Do not allow students into the natural areas, to climb on rock structures, or go anywhere but the path and pedestrian walkways.
- Prevent anyone in your group from touching any wildlife or plants (especially cactus) or any artifacts behind the ropes in Boomtown.
- Do not allow students to tap or bang the glass of animal enclosures.
- Monitor any food/beverages carried or consumed by students. Only water in secured bottles is allowed in our exhibit spaces.
- Keep your group respectful of other guests at Springs Preserve. That means no yelling, screaming, running, or blocking exhibits or trail access.
- Be sure your group cleans up after any snacks or lunch. Trash and recycle bins are located throughout the property.

Thank you again for volunteering to chaperone at the Springs Preserve.
